Cardinal 1956

State University Teachers College Plattsburgh

Dedication

To light, in which we live and move and have our being: light which illuminates our minds and our hearts to meet the challenge of twentieth century life.

In the past, we have had a light which flickered, in the present we have a light which flames, and in the future there will be a light which shines over all the land and sea.

Dr. George W. Angell, *President*

Each year the new *Cardinal* staff is faced with the problem of preparing a document which will adequately express the many facets of college life at Plattsburgh. This is truly a tremendous responsibility since it is the *Cardinal* which finds a cherished place in the home of each alumnus and alumna, and it is to this publication that for many years to come our graduates seek refreshment of wonderful memories about college life. It is indeed a tribute to the staff that this year's *Cardinal* has caught the spirit of brotherhood and scholarship which encourages each Plattsburgh student to become all that he is capable of becoming. Every page portrays a unique way in which students have accepted the many opportunities for developing leadership as members of a profession dedicated to the maximum development of dignity and worth in human life.

Here at college we have learned much of the art of working together on a big project. Memories may fade, but our accomplishment will endure. We, the staff of the 1956 *Cardinal*, humbly submit this book. It is in part a record of the hours we spent in learning all about our campus, in part an endeavor to be of service to our college. But especially it is an attempt, through words and photos, to present an attractive and au-

Varsity Basketball

Coached by Mr. Joseph Jastrab, and captained by John Humiston, the Cardinal and White more than held their own with teams of New York, Connecticut, Vermont and Canada. The high spot of the season was achieved on the evening of January 14, when a red-hot Plattsburch squad turned back the Albany Statesmen 86-83 on Albany's home court. The high scorers for the season were Pops Bullock, Jim Merrill and Mike Kukie.

The 1955-1956 season saw the inception of the team's membership in the National Association of Inter-collegiate Athletics. For the first time in the history of the college, the Cardinals won the ICA Sectional title, and were invited to compete in the Eastern Division play-offs in Jersey City, New Jersey.

F. Arthur, R. Sausville, F. Benway, H. Davey, J. Mills, C. DeVitto, J. Langworthy, M. Shapiro, T. Giroux.

J. V. Basketball

The Junior Varsity also enjoyed a successful season as they chalked up an impressive won and lost record. Coached by Bob Garrow, class of '52, the team is certain to contribute valuable additions to later varsity teams.

Baseball

The Plattsburgh "diamond" men are to be congratulated for their successful season last year. Since the *CARDINAL* goes to press before the baseball season opens, we are unable to present this year's team and record. However, Coach Edward Wiley has planned a heavy schedule for this Spring. The continuation of fine co-operation and team play will certainly lead to another successful season.

College

Now in its fifth and most active year on the Plattsburgh campus, College Union has been the scene of a wide program of social events and extra-curricular activities to meet the needs of the student body. The center section of Macdonough Hall is the College Union, including student offices, the lounge, the music, television and game rooms. Family style dinners, served by student waitresses, are served in the attractive dining room. Much leisure time is spent by the students in the pleasant snack bar. Ward Hall

The dedication ceremonies of the Charles C. Ward Hall took place in October, 1955. Governor Averill Harriman and other state dignitaries were present at the impressive occasion. *Selected Aspects of
The Nursery School Program
A Relief Sculpture
By
DR. EDGAR G. BARTON*

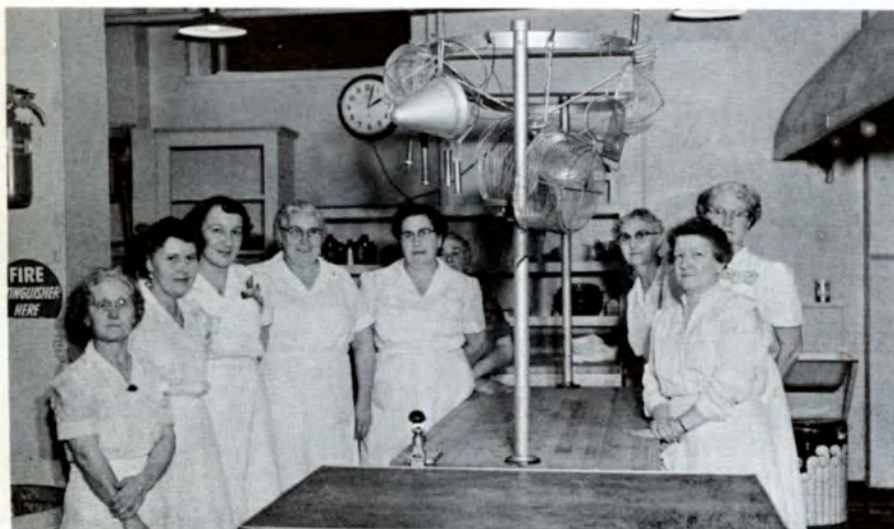

In this sculpture, carved from a single slab of Brazilian mahogany, the artist symbolizes a number of major features that pertain to the nursery school program. Essentially, the subject matter of the composition revolves around the family, the child, the nursery personnel and the architectural environment. Throughout the total composition emphasis has been placed on rollicking, rhythmic movement indicative of child growth.

Twin Valleys

When we think of our lodge which lies in a beautiful valley of the Adirondacks, we immediately recall a glowing fireplace, an evening of singing our favorite songs, toasted marshmallows, square dances, hikes and the other wonderful activities of camp life.

Facilities at Twin Valleys include a dormitory, three Adirondack log lean-tos, tenting equipment, trails and a new two and one half acre lake which offers boating. Soon we hope Twin Valleys will have the long-awaited ski trails.

Old Champlain

The Saranac curves swiftly down from
mountains dark with pine,
By night and moon its wooded slopes with
silver birches shine.
From North and South and from the West
the land is split in twain.
By brooks that speed the Saranac
To old Champlain.

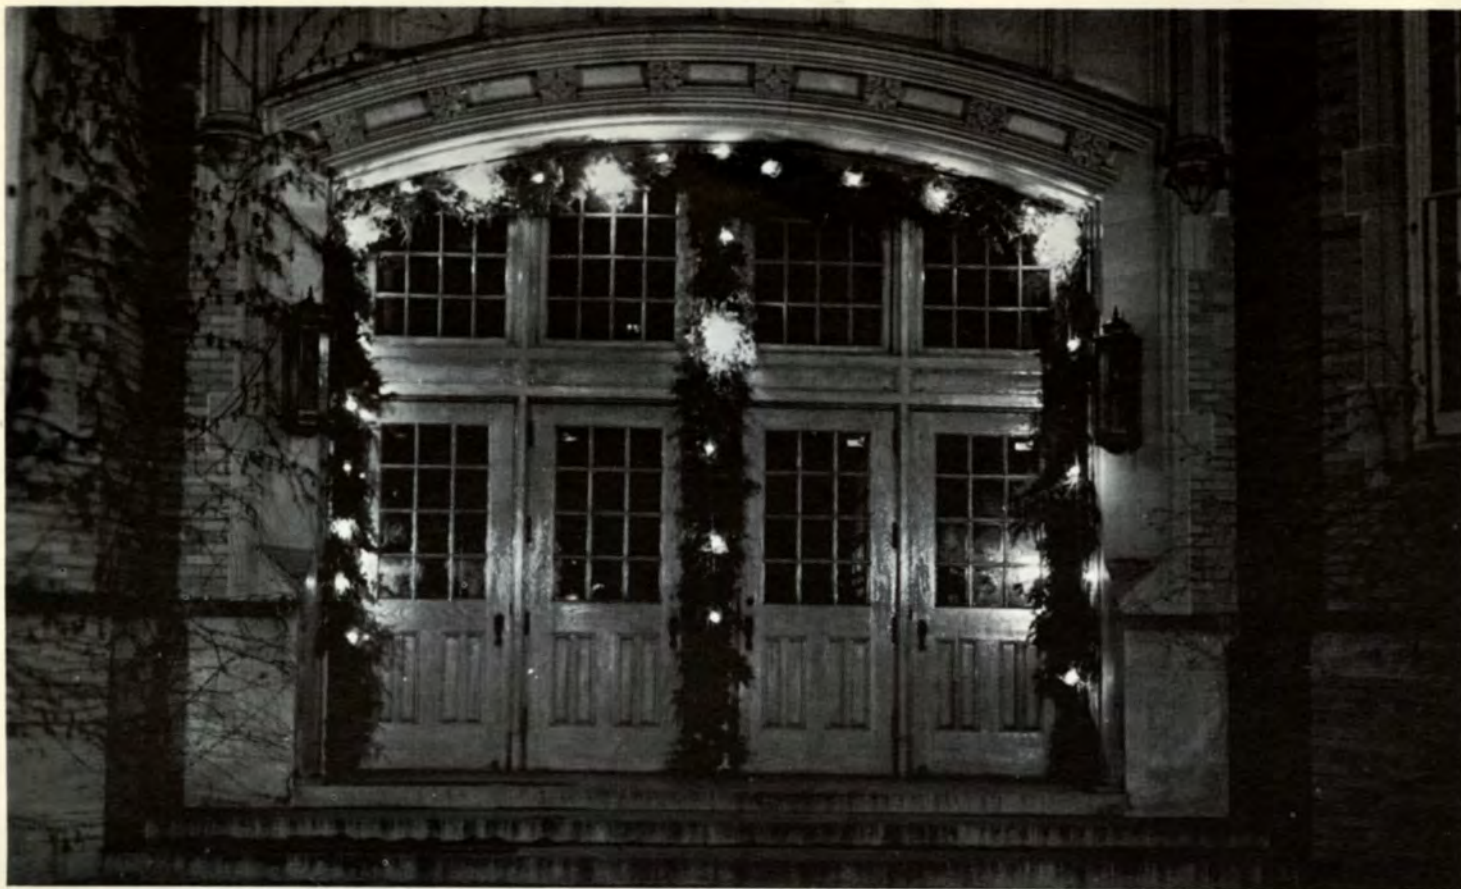

And where the rush of waters blend with
broad expanse of blue,
Where Red-men, Frenchmen, Englishmen
have kept a rendezvous,—
Our Alma Mater lifts her head and
beckons not in vain,
For us to keep a rendezvous
By old Champlain.

From North and South and from the West
our college draws her blood,
Like brooks that join the Saranac to swell
the foaming flood,
We lose ourselves in service fine, one
common goal attain,
When we have kept that rendezvous,
By old Champlain.

Our Town

"Buildings and bridges do not make a
town.
A city is greater than its bricks and mortar;
It is greater than tower or palace,
church or hall:
A city's as great as the little people that
live there.
You know those people. How can [Plattsburgh]
fall?"

Yuletide

Our traditional Christmas activities, both beautiful and spiritual, will always be a part of our college days which we shall never forget. The large tree that stands in the main lounge of the College Union provides perfect atmosphere for the impressive Christmas Tea and the annual Christmas party at the end of Good Angel Week for the girls of Macdonough Hall. We always look forward to the delicious Christmas dinner and the holiday entertainment. But foremost among the activities is the inspirational Nativity Pageant and Candlelight Service.

Winter Carnival

Though the weather outside was frightful, our weekend was so delightful. For the first time on our campus a Winter Weekend was celebrated. It's success lay in the combined efforts of all the classes and many of the organizations. The high spot of the weekend was a Jazz Concert featuring Bobby Hackett. The program Saturday afternoon included a Home Economics Fashion Show, the crowning of the King and Queen and awards for snow sculpture. A large crowd attended the Sun 'n Sno Ball on Saturday evening. The ski trip to Whiteface Mountain ended a perfect weekend.
